

Sports Options & Registration

Texas A&M students register for sports options online at www.12thmanfoundation.com/students during designated times. **Sports options will be billed to student fee statements produced by the university. Options added prior to July 31 will appear on fall fee statements released in August.**

NOTE: Aggie and Hullabaloo Band members, student-athletes, managers and trainers should not register for a Sports Pass.

12th Man Pass: This pass includes every regular season home game for all ticketed sports (Soccer, Volleyball, Track, Men's Basketball, Women's Basketball, Baseball, Softball and Football). If you're keeping score, that's more than 130 events each year. Postseason events hosted by Texas A&M are not included.

Four Game 12th Man Pass: These sport options include a selection of four home football games and all ticketed sports (Soccer, Volleyball, Track, Tennis, Men's Basketball, Women's Basketball, Baseball, and Softball). Postseason events hosted by Texas A&M are not included.

Sports Cards

Students who purchase a 12th Man Pass receive a sports card that is valid throughout their career at Texas A&M. Sports cards are distributed at the Ticket Center located at the north end of Kyle Field in the summer and fall for new students. Sports cards are used for football ticket pull only. Students must present their valid Texas A&M Student ID for admission into all ticketed events.

Football Ticket Information

Students who purchase a 12th Man Pass will present their sports card at the Student Ticket Windows on their assigned Pull Day to receive a reserved student ticket. At the same time, students have the option to purchase one (1) guest ticket at full price, if available.

One student can pick up a maximum of 10 tickets, including guests. A Sports Card is needed for each student ticket. At least half of the total tickets needed must be represented by cards of that day's academic classification or higher. The remaining half may be of a lower classification or guest tickets. **A guest ticket is treated as an underclassman ticket.**

To pull tickets, a student must present his/her own student ID, along with valid sports cards. The student ID is scanned and that student is recorded as the holder of the sports cards and recipient of the tickets.

Guest tickets are for persons who wish to stand in the student sections. Guest tickets may be obtained one of two ways: 1) buying a **FULL PRICE** guest ticket (which includes a label), or 2) converting a student ticket by purchasing a guest label (which is half the price of a guest ticket). Availability of guest tickets varies for each game. Student tickets may be converted to guest tickets at any time during the week (including on game day). Ticket and payment must be presented together at the time of conversion.

Football Ticket Allocation

Students can choose a deck (1st, 2nd or 3rd) at ticket pull. Seats are then selected randomly from remaining inventory.

Once tickets have been drawn, no exchanges are allowed. All tickets are final. You may not exchange tickets for more seats together if your group request changes.

Football Ticket Pull

Ticket Pull begins the Monday morning of each home game week. Texas A&M Students with a valid sports option will pull tickets according to academic classification.

Classification is based on number of hours completed or years completed at Texas A&M, **whichever gives the highest priority.**

Students with sports options are guaranteed tickets until the conclusion of Freshman Day during a home game pull.

Students without sports options (walk-up) may purchase a ticket on Friday, if available, by presenting their student ID at the ticket window. Walk-up tickets, when available, cost approximately half the face value of student guest tickets.

Resale of student tickets/sports options for profit is prohibited.

Student sports options are heavily subsidized by season ticket holders. Former Students and Aggie fans have long been committed to maintaining the quality and size of the student allotment at Kyle Field. In return, Texas A&M students-the 12th Man-are expected to honor this commitment by not reselling for profit their student tickets. These tickets home and away, are for student use ONLY. Texas A&M students are prohibited from reselling sports options/student tickets (home or road) for profit. Students found to be in violation of this policy will be penalized. Penalties include the cancellation of sports options, cancellation of tickets already pulled, and the loss of sports option privileges for the duration of their Texas A&M career.

2019-20 Student Sports Option Information

You are the 12th Man. At Texas A&M that's not just a name. It's our way of life.

The 12th Man is revered at all our venues. No matter the sport, our teams and coaches along with our opponents are in awe of what the 12th Man does to impact a game.

It means standing shoulder to shoulder with 34,000 other students in the blazing sun at Kyle Field. It means living Olsen Magic in the freezing cold at Blue Bell Park. It means yelling yourself voiceless when Aggie Soccer is playing to clinch another championship.
